- Loading Container: When loading your container, please ensure that your container lid can fully close. If your trash is unable to fit in the container with the lid fully closed, (you can take it to the dumpster). This will help you avoid additional fees caused by container overflow or spilled trash on the ground.
- Reduce Odor: To help reduce odor around your waste area, remember to tightly bag your trash before placing it in your container. This will help to reduce bacteria build up and odor caused by spilled garbage.
- Keep it clean: Regular cleaning of your container and the waste area surrounding the container will help to keep the waste area clean for easy access, reduce odor and minimize insects.

Remember to pick up after pets and dogs need to be on leashes.

Do Not Park on The Grass! in a tenants assigned parking spot. Ask them to park in the visitors marked parking spaces.

Public Housing properties are all smoke free and all residents, guests, visitors, service personnel should honor that policy. (Tenants are still smoking in the units) No smoking it means inside of your unit, outside or in the car. You will be charged.

All residents are responsible for the upkeep and housekeeping standards of their home. (Be sure to keep front and back of your unit clean) (Kids pool: empty the water every day and put it away if you not using the pool).

If you have any question about the Housekeeping standard refer to your lease.

**If you need a copy of your lease contact Maria Fernandez**

**Not accept inside of the unit: Lighter fluid, propane tanks and small grills.**

**Check out our website page to see what we are doing. [FWBHA.com](http://FWBHA.com)**
